Application No. 08/819,669

Docket No.: NY-LUD 5253-US5-DIV

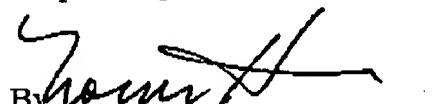

FACTS

The Examiner had rejected the claims of this application under obviousness type double patenting rejection in view of U.S. Patent No. 7,495,074. As the Reason's For Allowance indicates, this rejection has now been withdrawn and the Examiner has suggested this petition to expunge the terminal disclaimer. Applicants do so now, in view of the Examiner's express suggestion to do so.

Favorable action on this petition is requested.
